

THIRD NORTH WEST INDOOR GAMES 30/12/2017

The North West Indoor Games, which were held in the Athlone Indoor Arena last Saturday, are quickly developing into one of the best early season competitions in Ireland. Over 400 athletes took part representing 46 different clubs in 21 different Counties but the undoubted highlight was the World Indoor Qualifying standard of 53.15 seconds achieved by Phil Healy, Bandon AC in the 400m. Phil who has been a regular at this competition over the years, decided with her coach Shane Mc Cormack that the North West Games was an ideal venue for her attempt at the World Standard, and so it turned out. Six girls Phil from Bandon AC, Deirdre Murray, Na Fianna, Ciara Brady, Crusaders, Aine Brady and Abbie Sexton, Annalee and Aoife Sheehy, Galway City Harriers faced the starter, and Phil was quickly into her running and reeled off perfect times for each 100m to come home over 5 seconds ahead of Murray in second with Ciara Brady a further second back in third.

There was a large Contingent of young athletes and they produced many memorable performances and these stars of the future will no doubt be inspired by sharing the limelight in competition along-side international athletes of the calibre of Phil Healy.

Aidan Gillespie Rosses AC is another athlete who will be more than satisfied with his performance on Saturday. Aidan who is the Donegal Senior High Jump Champion broke the Irish Masters Age Group Record for the High Jump with his jump of 1.75m which is two centimetres above the old Record which stood at 1.73m before Saturday. He went on to complete his treble when he also won the 60m Hurdles and Long Jump.

Aidan Brock a High School Athlete from Connecticut in the USA was a welcome entry in the U/18 Boys 1,500m and finished third.
