Craughwell AC is one of the largest and most progressive clubs in the country with over 500 children and 200 adult members. The club caters for all levels of ability and all ages. It desperately needs facilities to continue its momentum.

The club is building for the future with the purchase of an 8-acre site and the development of a range of athletic and community sports facilities on the site. Phase 1 will cost €300,000 and includes site purchase and the development of outdoor facilities.
